Please answer the following questions:

- Yes No 1. We understand our team is not to be deployed until invited by appropriate disaster response leaders.
- Yes No 2. We understand that our team must be self-sufficient and self-sustaining. We will bring or supply all tools, food, fuel, water and sleeping gear used by our team members.
- Yes No 3. We understand that our role is to offer care and compassion in the name of Jesus Christ and therefore be aware of our witness throughout the mission.
- Yes No 4. We understand that our role as an ERT is to make the dwellings safe, sanitary and secure. We will not engage in any repair work that could jeopardize the property owner's ability to receive insurance or other benefits.
- Yes No 5. We will stress the need for all teams to use safe practices when using equipment and for all team members to avoid potentially dangerous situations.

6. Our team can best deployed as follows:

- A. For how many days at a time? _____
- B. Can you work during the week? _____
- C. Can you work on weekends? _____
- D. Though this team is not assigned to re-building, what construction skills will be available on your team?
